An Overview of the Hong Kong Games

1. Introduction of the Hong Kong Games

The Hong Kong Games (HKG) are a major multi-sport event in Hong Kong. Following the success of the 1st and 2nd HKG in 2007 and 2009 respectively, the HKG have become a major biennial event on the sports calendar in Hong Kong. We need your support for the HKG. We hope that every citizen in Hong Kong will be actively involved in the HKG and join hand in hand to promote the culture of "Sport for All" at the community level.

2. Objectives of the HKG

The participating units of the HKG are **the 18 District Councils (DCs)**. The objectives of the HKG are to provide districts with more opportunities for sports participation, exchanges and co-operation, and to encourage members of the public to actively participate in sports, thereby further promoting the culture of "Sport for All" at the community level. The HKG also aim to strengthen the public's sense of belonging to the district they live in and at the same time facilitate communication and promote friendship among the 18 districts. Furthermore, the HKG can also forge closer partnership among all stakeholders who promote sports at the community level so as to enhance community cohesion.

3. Organiser, Co-ordinator and Co-organisers

The HKG are organised and co-ordinated by the Sports Commission and the Community Sports Committee respectively, while the 18 DCs, the Sports Federation & Olympic Committee of Hong Kong, China, relevant National Sports Associations and the Leisure and Cultural Services Department (LCSD) are the co-organisers.

4. Details of Competitions

Games Period and Competition Events

The 3rd HKG will be held **from 14 May to 5 June 2011**. **Eight sports competitions** will be held, namely the athletics, badminton, basketball, futsal, swimming, table tennis, tennis and volleyball competitions. Each DC will select the talented athletes within its own district to participate in the competitions.

5. The Prizes

There will be the **"Overall Champion, 1st runner-up and 2nd runner-up"** prizes for each of the 8 sports competitions held in the 3rd HKG and the 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the **"Overall Champion, 1st runner-up and 2nd runner-up of the 3rd HKG"** prizes respectively. In addition, a new prize named **"District with the Most Gold Medals"** has been introduced to commend the district that wins the most gold medals in the events of the 8 sports competitions, in a bid to encourage active participation by the districts. Meanwhile, the district that makes obvious progress as compared with its performance in the last HKG will be awarded the newly-added **"District with the Best Progress"** prize.

6. Activities for the Publicity and Whole Community

The Organiser will continue to launch a series of activities for participation by the whole community. They include **a grand opening ceremony** and **a closing cum prize presentation ceremony of the HKG**, **"Elite Athletes' Demonstration and Exchange"**, **"Cheering Team Competition for the 18 Districts"**, **Voting for "My Favourite Sporty District"**, **Guess the "Overall Champion of the 3rd HKG"**, **the "Dynamic Moments Photo Contest"** and the **"District with the Greatest Participation in the 3rd HKG"** prize, with the aim of enabling more members of the public to participate in the HKG through different ways so as to encourage each district to send more athletes to participate in the HKG and to enlist the support of local dignitaries.

Emblem Design

Description of the Design of Hong Kong Games Emblem

全港運動會
Hong Kong Games

Together, the three rings resemble number “18”, symbolising the participation of all 18 districts in the Hong Kong Games.

The three closely placed rings also represent Hong Kong Island, Kowloon and the New Territories and reflect the close partnership among the bodies involved in the organisation of the games: the Sports Commission, the 18 District Councils, district sports associations, the Sports Federation & Olympic Committee of Hong Kong, China, and the relevant National Sports Associations.

Red highlights the power and passion of the athletes. Orange brown and blue represent indoor and outdoor events respectively.

The thin lines add a feeling of motion to the design and bespeak the vitality of the 18 districts.

- **Yuen Long District wins 3rd Hong Kong Games overall championship**

After three weeks of keen competitions, Yuen Long District was awarded the overall championship of the 3rd Hong Kong Games (HKG) at the closing cum prize presentation ceremony held at the Kowloon Park Sports Centre today (June 5).

The HKG lasted three weeks, with athletes from 18 districts contesting in eight sports, namely athletics, badminton, basketball, swimming, table tennis, tennis, volleyball and futsal.

Yuen Long District accumulated the highest total scores from all the eight sports competitions and seized the "Overall Champion of the 3rd HKG–The Hong Kong Jockey Club Trophy". The Overall 1st Runner-up was Sha Tin District while the Overall 2nd Runner-up went to Central and Western District.

The overall champions for each of the eight sports were: Tuen Mun (athletics); Yuen Long (badminton); Yau Tsim Mong (basketball); Sha Tin (swimming); Central and Western (table tennis); Yuen Long (tennis); Kwai Tsing (volleyball) and Eastern (futsal).

Officiating at the ceremony, the Secretary for Home Affairs, Mr Tsang Tak-sing, said in watching the matches, he witnessed the sportsmanship and determination of the athletes, making people experience once again the affection and cohesion brought by sports competitions.

He believed that through the HKG and the concerted efforts from various parties, the culture of participation and appreciation in sports activities would be strengthened in the community. He hoped the winning districts and athletes would keep up the spirit of the HKG and continue to strive for the best.

The scale of the 3rd HKG was larger than the last one, with two more sports competitions, volleyball and futsal, added to it. Eighty-three events were organised with 251 medals awarded, comprising 83 gold, 85 silver and 83 bronze. Athletes representing 18 districts increased from some 2 300 in the 2nd HKG to over 3 000 this year.

Yuen Long district grabbed 12 gold medals and won the title of the newly-introduced "District with the Most Gold Medals" commending the district which got the most gold medals in the events of the eight sports competitions.

In recognition of progress made by the district compared with its performance in the last HKG, another newly-added award "District with the Best Progress" was introduced this year. The award went to Kwun Tong and Kwai Tsing Districts,both of which scored 16 marks more in the eight sports competitions when compared with their results in the 2nd HKG, making a significant progress.

Kwai Tsing District, having fielded 187 athletes in the eight sports competitions of the HKG, won the title of the "District with the Greatest Participation in the 3rd Hong Kong Games".

To enable more people to participate in the HKG, various contests and activities such as opening ceremony, cheering team competition, photo contest, voting and guessing activities were also organised throughout the games period. These public participation programmes attracted more than 300 000 people to join, resulting in a participation rate significantly higher than that of the 2nd HKG.

In this context, the Tuen Mun District cheering team won the champion of the Best Performance Award of the "Cheering Team Competition for the 18 Districts" while Islands District won the Best Local Characteristics Award champion.

Wan Chai District became the favourite sporty district, scoring 29 899 votes out of the total of 158 365 votes cast for "Voting for My Favourite Sporty District". There were also 143 076 votes in the "Guessing of the Overall Champion of the 3rd HKG" contest.

The deadline for the submission of entries in the "Dynamic Moments Photo Contest" will be at 6pm on June 8. The winning entries will be displayed at forthcoming roving exhibitions to be held at LCSD venues in the 18 districts.

In addition to the prizes presentation, pop singers Sherman Chung and William Chan led the officiating guests and others in singing the HKG theme song "Come On Games On". There were also performances by the Hong Kong Police Band and the cheering teams.

After the ceremony, Chairman of the 3rd HKG Organising Committee, Mr Chau How-chen and Chairman of the Community Sports Committee, Mr William Tong, drew the winners of the "Voting for My Favourite Sporty District" and "Guessing of the Overall Champion of the 3rd HKG" prizes. - **Grand opening of 3rd Hong Kong Games today**

The grand opening of the 3rd Hong Kong Games (HKG) was held at Siu Sai Wan Sports Ground tonight (May 14). More than 3,000 athletes from the 18 districts will compete in the Games over the next three weeks, demonstrating their sporting prowess by vying for the honours.

The ceremony started at 8pm when the Chief Executive, Mr Donald Tsang, declared the Games officially open.

Holding a HKG flag aloft, eight elite athletes representing the eight sports of the 3rd HKG led the athletes and teams of the 18 districts on a colourful parade into Siu Sai Wan Sports Ground.

The various teams displayed their vitality with choreographed movements, slogans and colourful outfits, cheering for their districts and adding fun to the ceremony.

Addressing the audience and athletes after the flag raising ceremony, the Secretary for Home Affairs, Mr Tsang Tak-sing, said the Government attached great importance to sport development and had increased resources to promote a strong sporting culture in the community, to help elite athletes to strive for excellence, and to upgrade Hong Kong as a centre for major international sports events.

The HKG is a territory-wide major multi-sport event held biennially since 2007 with the 18 districts as participating units. Staged from today until June 5, this year's Games will be contested by over 3,000 athletes in eight sports: athletics, badminton, basketball, table tennis, swimming, tennis, futsal and volleyball.

Mr Tsang Tak-sing said that a variety of activities had been organised through different channels to encourage the public to take part, adding that the HKG this year, whether in terms of number of sports, number of athletes or the scope of the Games, has increased.

After the Chief Executive had officially declared the opening of the Games, one of the overall champions of the 2nd HKG, from Yuen Long district, took an oath on behalf of all the participating athletes in the Games.

The HKG torches, lit by the President of the Sports Federation & Olympic Committee of Hong Kong, China (SF & OC), Mr Timothy Fok, and the Honorary President of the 3rd HKG Organising Committee, Mr Ip Kwok-him, were passed to the Chairman of the 3rd HKG Organising Committee, Mr Chau How-chen, and the Chairman of the Community Sports Committee, Mr William Tong, then passed again to two elite athletes, Miss Yip Pui-yin and Mr Chiu Chung-hei, to start a relay.

Upon completion of the relay, comprising ten parts of which the athletes of the 18 districts took up nine, the Beijing 2008 Olympic Games gold medallist of the men's all-round individual gymnastics, Mr Yang Wei, and gold medallist of horizontal bar and floor exercises, Mr Zou Kai, lit the Cauldron of the Games.

A large-scale variety show followed. The officiating guests, the representatives of the 18 District Councils and the Principal Contributor, the Hong Kong Jockey Club dotted the eyes of the dragons and lions for a dance performance. This was followed by a show featuring the HKG theme song, "Come on Games On" by pop singer Miss Joey Yung, as well as performances by Mr Raymond Lam, Mr Ken Hung and Miss Mag Lam of the Voice.

The climax of the ceremony involved a grand performance by the People's Liberation Army Hong Kong Garrison including military music and rifle squad march.

Highlights of the Opening Ceremony were broadcast on TVB-Jade at 10.30pm on the same night.

The Closing cum Prize Presentation Ceremony of the 3rd HKG will be held at the Kowloon Park Sports Centre on June 5.

Members of the public are invited to watch the various sports competitions, to be held at various sports venues of the Leisure and Cultural Services Department (LCSD) starting tomorrow. Details of the dates and venues can be found on the dedicated webpages of the 3rd HKG (http://hongkonggames.lcsd.gov.hk).

The 3rd HKG is organised by the Sports Commission and co-ordinated by the Community Sports Committee with the 18 District Councils, the SF & OC, relevant National Sports Associations and the LCSD as co-organisers. The Hong Kong Jockey Club is the "Principal Contributor", while the Yuen Yuen Institute is "Major Sponsor" for the event.

- **Third HK Games kicks off**

"Come On! Games On! Join us at the third Hong Kong Games!" This exciting biennial event was officially launched today (February 25) at the 18 Districts' Pledging Ceremony held in Kowloon Park Arcade, Tsim Sha Tsui.

A 30-second promotional video, to be broadcast on TV from tonight to appeal for public support for this major local sports event, was also premiered at the ceremony.

Officiating at the ceremony, the Secretary for Home Affairs, Mr Tsang Tak-sing, said the Government has all along attached great importance to the promotion of a sports culture in the community, and the Hong Kong Games (HKG) was a highlight of Sport for All.

Mr Tsang called on members of the public to support the third HKG, saying that apart from competing in the Games, they could also cheer for the athletes at the events or join related community activities to help promote sport development in Hong Kong.

He added that in addition to providing precious opportunities for athletes to demonstrate their skills and compete with fellow athletes, the HKG also enhance communication among various districts, promote the concept of Sport for All and strengthen community spirit.

The third HKG, to be staged between May 14 and June 5, has a much larger scale than the last two Games with more competition events, more athletes participating and a greater variety of public participation activities. The number of sports events has been increased to eight by adding futsal and volleyball to the six sports of athletics, badminton, basketball, table tennis, swimming and tennis held in the last Games. Additionally, the number of athletes has soared almost 30% from 2,300 for the second HKG to over 3,000 for the Games this year.

There will be prizes for overall champion, first runner-up and second runner-up in each of the eight sports competitions. These prizes will go to the three districts which accumulate the highest total scores in all eight competitions.

To nurture district participation and a competitive atmosphere, a new "District with the Most Gold Medals" prize has been introduced this year to commend the district which wins most gold medals. The district which makes best progress in the third HKG compared to its performance in the last Games will be awarded the new "District with the Best Progress" prize.

For the first time, the Organising Committee for the HKG has appointed ten elite athletes, namely Wong Kam-po (cycling), Fu Ka-chun (cue sport), Tsui Chi-ho (athletics), Yip Pui-yin (badminton), Cheng Kam-hing (basketball), Chan Siu-ki (futsal), Sze Hang-yu (swimming), Ko Lai-chak (table tennis), Yang Zijun (tennis) and Hui Pui-tak (volleyball), as third HKG Sports Ambassadors and they will help promote and publicise the Games. Eight of them also will represent the corresponding sports events in the third HKG. Mr Tsang presented certificates of appointment to the Ambassadors at the ceremony today.

Speaking at the pledging ceremony, the Chairman of the third HKG Organising Committee, Mr Chau How-chen, said the Committee would step up training activities for the athletes, making them better prepared for competition.

He said each District Council would soon rally the community groups, schools and public to offer support for their athletes and to organise community activities for the Games.

The third HKG is organised by the Sports Commission and co-ordinated by the Community Sports Committee, while the 18 District Councils, the Sports Federation & Olympic Committee of Hong Kong, China (SF & OC), relevant National Sports Associations and the Leisure and Cultural Services Department (LCSD) are co-organisers. The Hong Kong Jockey Club is the "Principal Contributor", while the Yuen Yuen Institute is the "Major Sponsor" for the event.

The Games will proceed with a series of activities to solicit public support and involvement. These include a large-scale opening ceremony, a closing-cum-prize presentation ceremony, elite athletes' demonstrations and exchanges, a cheering team competition among the 18 districts, as well as the voting for "My Favourite Sporty District", guessing the "Overall Champion of the third HKG" competitions, the "Dynamic Moments Photo Contest" and the "District with the Greatest Participation in the 3rd HKG" prize.

Various publicity activities will be launched shortly, including the erection of banners and posters in various locations throughout the territory, broadcasting the 30-second promotional video at the venues of the LCSD, on buses and MTR trains, placing advertisements in newspapers and in MTR stations, and displaying posters on billboards at both entrances of the cross-harbour tunnel.

Press Release

- **More competitions and community activities to be held at 3rd Hong Kong Games**

To achieve wider participation by athletes and the public, the number of sports competitions at the 3rd Hong Kong Games (HKG) to be held in May next year will be increased to eight, with more popular sports events and a wide array of activities for the whole community and athletes to join, enhancing the scale and popularity of the Games.

Speaking at the launching ceremony of the 3rd Hong Kong Games at the Arcade of Kowloon Park, Tsim Sha Tsui, today (June 21), the Secretary for Home Affairs, Mr Tsang Tak-sing, said sport for all was one of the key objectives of the Government's policy to actively promote sports among the public. The HKG, a collaborative event among the Sports Commission, the 18 District Councils (DCs), the Sports Federation & Olympic Committee of Hong Kong, China (SF & OC), and the relevant National Sports Associations, is moving towards the goal of providing more opportunities for the public to participate in sports and have fun doing it.

Mr Tsang noted that with the 18 districts as the participating units, the HKG would provide athletes from all districts with more opportunities to match their skills with each other. It could also foster closer communication and friendship among members of the districts, thereby further promoting the culture of sport for all and enhancing community cohesion.

The increase in the number of athletes and people taking part in the last two Games shows that the HKG has gained in popularity. Mr Tsang appealed to sports lovers of all 18 districts to actively participate in, and members of the public to support, the Games in order to jointly promote sports development in Hong Kong.

Futsal and volleyball will be added to the 3rd HKG to be held between May 14 and June 5 next year, along with athletics, badminton, basketball, table tennis, swimming and tennis, which featured in the 2nd HKG, making a total of eight events.

Another officiating guest, the Chairman of the 3rd HKG Organising Committee, Mr Chau How-chen, said that the HKG had made big strides and yielded encouraging results in terms of the number of sports and athletes taking part in the Games: six sports and over 2,000 athletes in the 2nd HKG, which was an increase over the four sports and 1,000 athletes in the 1st HKG.

As the participating units of the HKG, the 18 DCs will recruit eligible athletes via an open selection process to represent their districts. Depending on the sport, each district will recruit eligible athletes to contest on its behalf.

There will be prizes for overall champion, 1st runner-up and 2nd runner-up in each of the eight competitions of the 3rd HKG. The three districts accumulating the highest total scores from all eight competitions will be awarded the overall champion, 1st runner-up and 2nd runner-up prizes. In addition, a new prize "District with the Most Gold Medals" has been introduced to commend the district that wins the most gold medals in the 3rd HKG in a bid to encourage active district participation. The district that makes obvious progress in the 3rd HKG over its performance in the last Games will be awarded the newly added "District with the Best Progress" prize.

As in previous Hong Kong Games, the organiser will hold a series of activities including the opening and closing-cum-prize presentation ceremonies, Elite Athletes' Demonstration and Exchange, Cheering Team Competition for the 18 Districts, voting for "My Favourite Sporty District", "Guess the Overall Champion of the 3rd HKG", the Dynamic Moments Photo Contest and the "District with the Greatest Participation in the 3rd HKG" prize. These activities will encourage more people to participate in the HKG in different ways and each district to field more athletes to take part and to enlist community support.

The HKG, held biennially, is organised and co-ordinated by the Sports Commission and the Community Sports Committee respectively, with the 18 DCs, the SF & OC, relevant National Sports Associations (NSAs) and the Leisure and Cultural Services Department (LCSD) as co-organisers. The 3rd HKG Organising Committee was formed in March this year to co-ordinate the work for the Games.

Other officiating guests included the President of the SF & OC, Mr Timothy Fok; Legislative Councillor Mr Ip Kwok-him; and the Director of Leisure and Cultural Services, Mrs Betty Fung.

Representatives from the 18 DCs and the relevant NSAs as well as eight elite athletes in each of the eight competition sports also attended the launching ceremony to solicit popular participation in and support for the Games.

A 3rd HKG homepage (hongkonggames.lcsd.gov.hk) containing comprehensive information and affiliated with Facebook and Twitter has been commissioned for public browsing and exchanging of views.

The launching ceremony also premiered a publicity video which will be broadcast at the LCSD's leisure venues, Roadshow and the East Rail train compartments. It has also been uploaded onto the 3rd HKG's thematic homepage for public viewing.

For details of the Games, enquiries can be made at the LCSD's District Leisure Services Offices or the secretariat of the 3rd HKG Organising Committee on 2601 7671.

2. Prizes will be awarded to the Overall Champion, 1st Runner-up and 2nd Runner-up of each of the competitions, namely the athletics, badminton, basketball, futsal, swimming, table tennis, tennis and volleyball competitions. The scoring system is set out as follows:
From the Champion to the 7th Runner-up of each competition event, each will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st Runner-up will score 8 points, …, the 7th Runner-up will score 2 points. The above winners must have played in all play-offs of that competition event in order to be awarded the points, otherwise 0 point will be awarded. If the remaining 10 athletes / teams have participated in all matches of a respective competition event, they will score 1 point. The points awarded for the team events (excluding the basketball, volleyball and futsal competitions) will be doubled, i.e. the Champion will score 20 points, the 1st Runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no point will be awarded.

4. If 2 or more districts accumulate the same points from all competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

5. The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. 9. Awards and Scoring System:
(1) Each event offers prizes to the Champion, 1st runner-up and 2nd runner-up respectively.
(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the athletics competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the athletics competition. The scoring system is set out as follows:
The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have

played in all play-offs of that event in order to be awarded the points, otherwise no point will be awarded. From the 8th runner up onwards, if they have participated in all events of a respective competition, they will score 1 point. The points awarded for the team events will be doubled, i.e. the Champion will score 20 points, the 1st runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the athletics competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the athletics competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:
The Champion (e.g. the "Overall Champion" of the athletics competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prize for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at an event in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

10. Referee/Umpire:

Participants will be notified of the details separately.

(2) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participants of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(ii) Declaration of place of residence issued by the Home Affairs Department; or

(iii) Mortgage statement, tenancy agreement or resident card; or

(iv) A valid student's handbook showing "proof of place of residence". (If a student handbook cannot be produced, the documents stated in (i) to (iii) bearing the name of the participant's parent(s) together with the participant's birth certificate may serve as proof.)

(c) When necessary, the Organiser may request the district that a participant is representing to provide valid "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(d) Student hostels and athlete hostels cannot be regarded as the place of residence.

(5) Participants must meet the eligibility requirements (1) to (4) mentioned above. If it is found that any participant fails to meet the eligibility requirements or represents more than 1 district, the Organiser has the right to disqualify the participant from the HKG. (For doubles events, both participants in the team will be disqualified.) If he/she has already taken part in the HKG, all results obtained by him/her and the team he/she represents in the competition (including doubles and team event) will be cancelled.

(6) All the information entered (except residential address, contact telephone number and occupation) cannot be changed once the enrolment form is submitted.

(7) All participants must sign the "Declaration by Participants" before taking part in the HKG. (For participants aged under 18, the Declaration should be signed by the participants' parent or guardian.)

(8) The Organiser reserves the right to forbid any participant from taking part in the HKG.

5. Method of Enrolment and Points to Note:

(1) The person-in-charge in each district shall verify the identity document and proof of place of residence of each participant in accordance with the requirements stated in paragraphs (1) and (4) above and return the duly completed "Enrolment Form" and the "Declaration by Participants" to the Major Events Section of the Leisure and Cultural Services Department (Address: 2/F, Leisure and Cultural Services Headquarters, 1-3 Pai Tau Street, Sha Tin, New Territories; Fax number: 2634 0786) on or before 28 January 2011 for the Organiser to take follow-up actions and make arrangements for the competition.

(2) Each district may enter 1 team leader and 2 coaches. The team leader and coaches shall be aged 18 or above. Each team leader/coach may only represent 1 district and may not hold other posts in the respective district delegation in order to avoid conflict of interest.

(3) For individual events, each district may enter a maximum of 2 persons/2 teams for each event.

(4) For team events, each district may enter a maximum of 1 team (of 7 persons at least and 12 persons at most) each for the men's team event and the women's team event.

(5) Each athlete may enrol in 1 individual event and the team event at most.

(6) No participant shall ask another person to play in the competition for him/her. Should any participant be found to have done so, the participant, his/her impostor and their team(s) shall be disqualified and all results obtained by the participants and their team(s) will be cancelled. For doubles events, both participants in the team will be disqualified.

(7) If there are less than 3 persons/teams enrolling in an event, the event will be cancelled by the Organiser.

(8) The prospectus, enrolment form, notes to participants, schedules, competition results and other information about this competition will be announced through the HKG's website: http://hongkonggames.lcsd.gov.hk.

(9) The participants shall be responsible for their own Personal Accident Insurance.

6. Format:

(1) For all events, the rally points scoring system (a match consists of the best of three games of 21 points) will be adopted.

(2) Individual Events

(a) The single knock-out system will be adopted.

(b) A separate ranking playoff will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

(c) For each district which enters 2 persons/2 teams for an individual event, the 2 persons/teams will be placed in the upper and lower groups separately. For a district which enters only 1 person/1 team, entry to the upper or lower group will be decided by drawing lots.

(3) Team Events

(a) The order of events for each match will be: First event - Men's/Women's Singles;
Second event – Men's/Women's Doubles;
Third event –Men's/Women's Singles;
Fourth event –Men's/Women's Doubles;
Fifth event –Men's/Women's Singles.

(b) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan, Kwai Tsing). The single round robin system on a group basis will be

adopted. The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals.

(c) There will be a fixture draw for the 8 teams that are qualified for the quarter-finals. The 4 teams that came first in their groups in the preliminary rounds will be allotted to 4 different groups respectively by drawing lots. Then each group will be allotted a team that came second in its respective group in the preliminary round by drawing lots. (To avoid placing teams that previously came first and second in the same group in a match again, a group that has already been allotted a team that came first in its respective group in the preliminary round will not be allotted another team that came second in the same group. This is done by taking away the lot for the team that came second in the same group before the remaining lots are drawn.) The single knock-out system will be adopted for matches from the quarter-finals to the final.

(d) The Organiser reserves the right to make arrangements for various matches to take place at the same time.

(e) For each match, each participant will be allowed to enter 1 event only.

(f) A match will be won by the team that is the winner of 3 events. For each match in the preliminary rounds on a group basis, a team shall complete 5 events.

(g) Moreover, a ranking playoff, in which the knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

7. Rules:

(1) Participants shall report to the “Registration Counter” in person by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) for verification of identity by the staff of the Organiser 15 minutes before the scheduled time set by the

Organiser. Any team participating in team events shall also bring along the completed "Players' List" for the respective match and the identity documents of all the 7 players in the team when reporting to the "Registration Counter". The team that still fails to submit a completed "Players' List" for the match or fails to produce the identity documents of their players at the "Registration Counter" or fails to turn up in full team 15 minutes after the commencement of the match will be deemed to have withdrawn from the match.

(2) Any participant/team that withdraws or is deemed to have withdrawn from a knock-out match will be disqualified from the remaining matches in the competition.

(3) After reporting to the "Registration Counter", if any player still fails to turn up or any team in team events fails to turn up in full team for the match 5 minutes after the roll call made by the referee/umpire, or if the uniform or equipment of team members do not meet the Organiser's requirements, the player/team will be regarded as the loser in the match.

(4) For team events, each team shall assign players to participate in various matches according to the order on the "Players' List", or the team will be disqualified.

(5) Shuttlecocks provided by the Organiser shall be used in the competition.

(6) Participants shall use their own rackets.

(7) Participants shall wear approved sportswear for the competition, including a short-sleeved shirt, knee-length shorts, socks and non-marking sports shoes. Players in doubles events and team events shall wear a shirt of the same kind.

(8) Participants shall comply with the rules, regulations and announcements of the sports centre and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(9) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(10) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(11) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(12) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(13) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used by the Badminton World Federation.

8. Team Leaders' Meeting and Fixture Draw:

A team leaders' meeting and a fixture draw will be held by the Organiser at **7:00 pm on 25 March 2011 (Friday)** at Audio/Visual Room, 1/F, Leisure and Cultural Services Headquarters, 1-3 Pai Tau Street, Sha Tin, New Territories (no seeded teams in the fixture draw for all competition events). Each district shall send its own representative to attend the meeting and the fixture draw. Those districts failing to send their representatives will be represented by the Organiser's staff in the fixture draw and must fully accept the results as no objections shall be raised.

9. Awards and Scoring System:

(1) Each event offers 3 prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the badminton competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the badminton competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. The points awarded for the team events will be doubled, i.e. the Champion will score 20 points, the 1st runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the badminton competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the badminton competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the badminton competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prize for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

10. Referee/Umpire:

The Hong Kong Badminton Association will be invited to render referee/umpire services.

11. Rescheduling:

Participants will be notified of the details separately.

(2) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participants of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(3) No application for changing the date of competition by the participants shall be accepted.

(2) The duration of each match will be 40 minutes. The game shall consist of 4 periods of 10 minutes each.

(3) For all matches, the timing rules will be based on the international basketball rules and regulations.

(4) If the match ends in a draw within the normal playing time, there will be an extra period of 5 minutes. If the match still ends in a draw after the extra time, 5 players of each team should be assigned to shoot a free throw at the penalty line and the "sudden death" rule will be adopted.

(5) A ranking playoff, in which the single knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

7. Rules:

(1) Participants shall report to the "Registration Counter" in person by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) for verification of identity by the staff of the Organiser at the scheduled reporting time set by the Organiser. If players fail to produce the identify proof or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) After reporting to the "Registration Counter", if any player still fails to turn up or less than 5 players have turned up for the match 5 minutes after the roll call made by the referee/umpire, the team will be regarded as the loser in the match.

(3) If any team leaves the court without notification in advance, it will be regarded as having withdrawn from the match after the referee has made a report to the Organiser.

(4) Any participant/team that has withdrawn or is deemed to have withdrawn from a match will be disqualified from the remaining matches in the competition.

(5) If any player is punished to leave the court, he/she will be suspended from playing in the match. The Organiser reserves the right to impose further penalty.

(6) Players shall wear non-marking sports shoes.

(7) Each team shall prepare 2 sets of approved jerseys in different colours for the competition and the numbers indicated on the jerseys should be from 00 to 99 in accordance with the basketball competition rules. (8) Participants shall comply with the rules, regulations and announcements of the sports centre and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(9) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(10) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(11) During the appeal process, all matches will be held according to the announced schedule. The Organiser will not arrange a re-play in respect of any match that has been completed.

(12) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place

of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(13) If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team.

(14) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used by the Hong Kong Basketball Association.

8. Team Leaders' Meeting and Fixture Draw:
A team leaders' meeting and a fixture draw will be held by the Organiser at **7:00 pm on 30 March 2011 (Wednesday)** at Audio/Visual Room, 1/F, Leisure and Cultural Services Headquarters, 1-3 Pai Tau Street, Sha Tin, New Territories (no seeded teams in the fixture draw for all competition events). 9. Awards and Scoring System:

(1) Each event offers 3 prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the basketball competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the basketball competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no point will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the basketball competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the basketball competition respectively.

(3) Prize for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:
The Champion (e.g. the "Overall Champion" of the basketball competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

10. Referee/Umpire:
The Hong Kong Basketball Association will be invited to render referee/umpire services.

11. Rescheduling:

Participants will be notified of the details separately.

(2) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participants of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(3) No application for changing the date of competition by the participants shall be accepted.

6. Format:
   (1) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted. The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals and another fixture draw will be held. The single knock-out system will be adopted for matches from the quarter-finals to the final.
   (2) The normal time for each match is 40 minutes, with 2 equal periods of 20 minutes and the half-time interval must not exceed 10 minutes. Matches in the preliminary rounds (on group basis) are **not played real-time** (which means the clock does not stop whenever the ball goes out of play) while matches from the quarter-finals to the final are **played real-time** (which means the clock stops whenever the ball goes out of play).
   (3) No extra time shall be played after a draw for matches in the preliminary rounds (on group basis), with 3 points for a win, 1 point for a draw and none for a defeat.
   (4) In the preliminary rounds (on group basis), if 2 or more teams score the same points as indicated on the score table for the same group, the Organiser will make decision according to the match results between the teams that scored the same points in the same group. The ranking of the teams will be determined according to the following order of priority:
      i/ the number of points obtained in the group matches between the teams concerned
      ii/ the goal difference resulting from the group matches between the teams concerned
      iii/ the number of goals scored in the group matches between the teams concerned
      If the ranking of the teams scoring the same points cannot be determined on the basis of the criteria (i) to (iii) mentioned above, the teams that have the greater goal difference among all teams in the same group on the score table will be placed in the higher ranking by the Organiser. If the goal differences are also equal, the team scoring more goals as indicated on the scoring table for all teams in the same group will get a higher ranking.
   (5) If the final ranking cannot be determined, it will be decided by drawing lots.
   (6) From the quarter-finals to the final, if the match ends in a draw at the end of the normal time, the winner shall be determined by **penalty kicks**.
   (7) All matches will be conducted in accordance with the Futsal Laws of the Game set by the Fédération Internationale de Football Association (FIFA).

(8) A ranking playoff, in which the single knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

7. Rules:

(1) Participants shall report to the "Registration Counter" by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) for verification of identity by the staff of the Organiser at the scheduled reporting time set by the Organiser. If players fail to produce the identity documents or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) The team leader or coach must be present during the match to assit in monitoring and controlling the discipline of the players. If the team leader or coach of a team is not present during the match or leaves the field of play during the match, the Organiser will not start the match or will discontinue the match immediately and the team without the team leader or coach shall bear the responsibility.

(3) Before the commencement of each match, each team may **submit a list of 5 players on court and up to a maximum of 7 substitutes** on the players' list. A substitution may be made at any time during a match and the substitute shall only enter the pitch after the player being replaced has left. All substitutions must be made within the **designated substitution zone** (near the halfway line). Those who have violated this regulation will be cautioned with a yellow card. A player who has been replaced may return to the pitch as a substitute and the number of substitutions made during a match is unlimited.

(4) Any team that fails to turn up or dispatches less than 5 players at the commencement of the normal time will be judged as the loser by the Organiser at a score of 0-3 according to the rules and regulations.

(5) If a team leaves the field of play without notification or pulls out of the game during a match, the Organiser shall make judgement as follows:

- If the winning team wins the ruling, the scoreline shall remain the same; and
- If the losing team wins the ruling, the scores will be scrapped. The team that wins the ruling will win the match by 3-0.

(6) If a player is sent off by the referee because of being shown a red card or having accumulated two cautions (two yellow cards) in a match, the player will be suspended from the next match automatically. The Organiser reserves the right for further punishment.

(7) All players shall wear appropriate flat-soled sports shoes and shinguards and shall not wear any accessories in a match. If a player needs to wear equipment such as protective spectacles or facemasks, he must make an application to the Organiser **7 working days before** the match day and submit the relevant documentary proof (e.g. medical certificate) together with the information about the equipment (such as protective spectacles or facemasks) that needed to be worn for approval by the Organiser. The equipment can only be used in the match after approval has been obtained.

(8) Each team shall prepare 2 sets of approved jerseys in different colours for the competition. If the colours of the jerseys are the same or similar, the second team named in the schedule of play (i.e. the visiting team) shall change their jerseys or wear the second set of jerseys in another colour for the competition. The colour of the players' jerseys shall be prominently different from that of the jerseys worn by the referees and the colour of the goalkeepers' jerseys shall also be prominently different from that of the jerseys worn by other players.

(9) Participants shall comply with the rules, regulations and announcements of the venue and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by their teams will be cancelled.

(10) The decision of the referees on the results of the competition will be final.

(11) If a participating team intends to raise objection, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match..

(12) If the complainant is not satisfied with the decision made by the Duty Organiser, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG

Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(13) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his team in the matches will be cancelled and no points will be scored by him and the team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(14) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(15) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used in the Futsal Laws of the Game set by the FIFA.

9. Awards and Scoring System:

(1) There will be the "Overall Champion, 1st and 2nd runners-up" prizes for the futsal competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the futsal competition. The scoring system is set out as follows:
The Champion to the 7th runner-up will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the futsal competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the futsal competition respectively.

(2) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

(3) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(4) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions.

The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(5) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(6) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the tennis competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the tennis competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. The points awarded for the team events will be doubled, i.e. the Champion will score 20 points, the 1st runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the tennis competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the tennis competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will be awarded to the top 3 districts accumulating the highest total points from

all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the tennis competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

(5) Participants must meet the eligibility requirements (1) to (4) mentioned above. If it is found that any participant fails to meet the eligibility requirements or represents more than 1 district, the Organiser has the right to disqualify the participant from the HKG. (6) All the information entered (except residential address, contact telephone number and occupation) cannot be changed once the enrolment form is submitted.

(7) All participants must sign the "Declaration by Participants" before taking part in the HKG. (For participants aged under 18, the Declaration should be signed by the participants' parent or guardian.)

5. Method of Enrolment and Points to Note:

(1) The person-in-charge in each district shall verify the identity document and proof of place of residence of each participant in accordance with the requirements stated in paragraphs (1) and (4) above and return the duly completed "Enrolment Form" and the "Declaration by Participants" to the Major Events Section of the Leisure and Cultural Services Department (Address: 2/F, Leisure and Cultural Services Headquarters, 1-3 Pai Tau Street, Sha Tin, New Territories; Fax number: 2634 0786) on or before 28 January 2011 for the Organiser to take follow-up actions and make arrangements for the competition.

(2) Each district may enter 1 team leader and 2 coaches. The team leader and coaches shall be aged 18 or above. Each team leader/coach may only represent 1 district and may not hold other posts in the respective district delegation in order to avoid conflict of interest.

(3) Each district may enter 1 men's team and 1 women's team with 6 to 18 persons in each team. Before the start of a match, each team should name 12 persons from a list of players on the score sheet to play in the match.

(4) No participant shall ask another person to play in the competition for him/her. Should any participant be found to have done so, the participant, his/her impostor and their team(s) shall be disqualified and all results obtained by the participants and their team(s) will be cancelled.

(5) If there are less than 3 teams enrolling in a division, events of that division will be cancelled by the Organiser.

(6) The prospectus, enrolment form, notes to participants, schedules, competition results and other information about this competition will be announced through the HKG's website: http://hongkonggames.lcsd.gov.hk.

(7) The participants shall be responsible for their own Personal Accident Insurance.

6. Format:

(1) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted. The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals.

(2) There will be a fixture draw for the 8 teams that are qualified for the quarter-finals. The 4 teams that came first in their groups in the preliminary rounds will be allotted to 4 different groups respectively by drawing lots. Then each group will be allotted a team that came second in its respective group in the preliminary round by drawing lots. (To avoid placing teams that previously came first and second in the same group in a match again, a group that has already been allotted a team that came first in its respective group in the preliminary round will not be allotted another team that came second in the same group. This is done by taking away the lot for the team that came second in the same group before the remaining lots are drawn.) The single knock-out system will be adopted for matches from the quarter-finals to the final.

(3) Matches adopting the single round robin system are played to the best of 3 sets. The winner gains 2 points and the loser gains 1 point. The team that has withdrawn from the match gains no points and will be taken as being defeated in the match by 0:2 with an individual score of 0:25 for each set. It can still participate in the remaining matches.

(4) Method to decide the ranking in the case of 2 teams scoring equal points under the single round robin system:

a) If there are teams scoring the same total points, the one with a higher quotient derived from dividing the number of **points** gained in all matches by the number of **points** lost in all matches will be ranked higher.

A = **total number of points** gained in all matches

B = **total number of points** lost in all matches

C = the quotient obtained

$$\frac{A}{B} = C$$

b) If the quotients obtained by the teams are identical, then the team with a higher quotient derived from dividing the number of **sets won** in all matches by the number of **sets lost** in all matches will be ranked higher.

X = **total number of sets won** in all matches

Y = **total number of sets lost** in all matches

Z = the quotient obtained

$$\frac{X}{Y} = Z$$

c) If it is still not possible to decide the ranking, the following calculation methods should be adopted.

i) In the case of 2 teams obtaining identical quotients, the winner will be the team that has won in the previous encounter between the 2 teams;

ii) In the case of 3 or more teams obtaining identical quotients, the ranking will be decided by drawing lots.

(5) Matches adopting the single knock-out system are played to the best of 5 sets. The team(s) regarded as having withdrawn from a match will be disqualified from playing in the remaining match(es). The result that the team has obtained remains to be the position held by it as at the last match in which it has participated.

(6) Moreover, a ranking playoff, in which the single knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

7. Rules:

(1) All players of the team who are going to play in the match shall report to the "Registration Counter" in person by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) and a completed "score sheet" for verification of identity by the staff of the Organiser 30 minutes before the commencement of the normal time for the match. If players fail to produce the identity documents or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) If any team fails to turn up in full team for the match 5 minutes after the commencement of the normal time for a match, or if the uniform or equipment of team members do not meet the Organiser's requirements, the team will be regarded as the loser in the match.

(3) If any team leaves the court without notification in advance, it will be regarded as having withdrawn from the match after the referee/umpire has made a report to the Organiser.

(4) Any participating team that has withdrawn or is deemed to have withdrawn from a knock-out match will be disqualified from the remaining matches in the competition.

(5) Players of the same team must wear jerseys in the same colour and of the same design and wear non-marking sports shoes except for the Libero, who must wear a jersey in a colour different from the colour of other players' jerseys in the team.

(6) The height of the net for this competition will be 2.43m for the men's division and 2.24m for the women's division.

(7) Volleyballs provided by the Organiser shall be used in the competition: MIKASA MVA300.

(8) Participants shall comply with the rules, regulations and announcements of the sports centre and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(9) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(10) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(11) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(12) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(13) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used by the Volleyball Association of Hong Kong, China.

8. Team Leaders' Meeting and Fixture Draw:

A team leaders' meeting and a fixture draw will be held by the Organiser at **7:00 pm on 22 March 2011 (Tuesday)** at Audio/Visual Room, 1/F, Leisure and Cultural Services Headquarters, 1-3 Pai Tau Street, Sha Tin, New Territories (no seeded teams in the fixture draw for all competition events). Each district shall send its own representative to attend the meeting and the fixture draw. Those districts failing to send their representatives will be represented by the Organiser's staff in the fixture draw and must fully accept the results as no objections shall be raised.

9. Awards and Scoring System:

(1) Each event offers 3 prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the volleyball competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the volleyball competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the volleyball competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the volleyball competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points

from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the volleyball competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

Participants will be notified of the details separately.

(2) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the teams of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

If any participant fails to meet the eligibility requirements or provides false personal data or asks another person to play in the competition for him/her or represents more than 1 district, the Organiser has the right to disqualify the participant from the HKG. If he/she has already taken part in the HKG, the results obtained by him/her and the team he/she represents in the competition will be cancelled.

5. The Organiser's Arrangement for Referee/Umpire:

   The Hong Kong Amateur Athletic Association will be invited to render referee/umpire services.

6. Awards and Scoring System:

   (1) Each event offers prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

   (2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the athletics competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the athletics competition. The scoring system is set out as follows:

   The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner up onwards, if they have participated in all events of a respective competition, they will score 1 point. The points awarded for the team events will be doubled, i.e. the Champion will score 20 points, the 1st runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the athletics competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the athletics competition respectively.

   (3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

   The Champion (e.g. the "Overall Champion" of the athletics competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prize for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

   (4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

   (5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at an event in the HKG in order to be counted as an actual participant.)

   (6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

   (7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

7. Warm-up Area:

Participants may do warm-up exercises at the **secondary sports ground** of Tseung Kwan O Sports Ground on the event day.

(4) Participants shall note the time specified in the competition schedule and arrive at the competition venue ahead of time for preparation. Staff of the Organiser have the right to advance the starting time of or postpone any event according to the circumstances and the participants shall raise no objections.

2. Format:

(1) In the preliminary rounds of both the men's and women's divisions, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted. The single knock-out system will be adopted from the quarter-finals to the final.

(2) The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals and another fixture draw will be held. The 4 teams that came first in their groups in the preliminary rounds will be allotted to 4 different groups respectively by drawing lots. Then each group will be allotted a team that came second in its respective group in the preliminary round by drawing lots. (To avoid placing teams that previously came first and second in the same group in a match again, a group that has already been allotted a team that came first in its respective group in the preliminary round will not be allotted another team that came second in the same group. This is done by taking away the lot for the team that came second in the same group before the remaining lots are drawn.) The fixture draw for the 8 teams that are qualified for the quarter-finals is scheduled to be held immediately after the completion of the last match in the preliminary rounds, i.e. the fixture draw is scheduled to be held at about 10:00 pm on 17 May 2011 (Tuesday) at Osman Ramju Sadick Memorial Sports Centre. All districts that are qualified for the quarter-finals shall send their own representatives to attend the fixture draw. Those districts failing to send their representatives will be represented by the Organiser's staff in the fixture draw and must fully accept the results as no objections shall be raised.

(3) The duration of each match will be 40 minutes. The game shall consist of 4 periods of 10 minutes each.

(4) For all matches, the timing rules will be based on the international basketball rules and regulations.

(5) If the match ends in a draw within the normal playing time, there will be an extra period of 5 minutes. If the match still ends in a draw after the extra time, 5 players of each team should be assigned to shoot a free throw at the penalty line and the "sudden death" rule will be adopted.

(6) A ranking playoff, in which the single knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

3. Rules:

(1) All players shall report to the "Registration Counter" by bringing along with them a completed score sheet and their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) for verification of identity by the staff of the Organiser 15 minutes before the commencement time of the match. If any player fails to produce the identity proof or his/her identity is not found to be matched, he/she will not be allowed to participate in the match. If no players of a team turn up or the players fail to turn up on time, the team will be regarded as having withdrawn from the match.

(2) If any player of a team fails to turn up or a team dispatches less than 5 players for the match 5 minutes after the roll call made by the referee/umpire, the team will be regarded as having withdrawn from the match.

(3) If any player/team leaves the court without notification in advance, the player/team will be regarded as having withdrawn from the match after the referee/umpire has made a report to the Organiser.

(4) Any player/team that has withdrawn or is deemed to have withdrawn from a match will be disqualified from the remaining matches in the competition. Please refer to the following table for details of the penalties:

Matches	**Scenarios**	**Penalties**
<u>Preliminary rounds (on group basis)</u>	(i) No players turn up or any player fails to turn up on time.	The team will be regarded as having withdrawn from the match. It gains no marks and is taken as being defeated in the match by 0:20. It will be disqualified from the

	(iii) A player/team leaves the court during a match without notification.	

(5) If any player is punished to leave the court, he/she will be suspended from playing in the match immediately. The Organiser reserves the right to impose further penalty.

(6) Players shall wear non-marking sports shoes.

(7) Each team shall prepare 2 sets of approved jerseys in different colours for the competition and the numbers indicated on the jerseys shall be from 00 to 99 in accordance with the basketball competition rules. The players shall either wear jerseys printed with the name of the district represented by the team, or jerseys without showing the name of any team. They shall not wear numbered vests. The first team named in the schedule of play shall wear light-coloured jerseys (usually white) and sit in the team bench area on the left of the Scorer's table while the second team named in the schedule of play shall wear dark-coloured jerseys (usually in a different colour) and sit in the team bench area on the right of the Scorer's table.

(8) Basketballs provided by the Organiser shall be used in the competition:

(i) Men's Division: Spalding Plat Series

(ii) Women's Division: Spalding WNBA Game

(9) Participants shall comply with the rules, regulations and announcements of the sports centre and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(10) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within

30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(11) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(12) During the appeal process, all matches will be held according to the announced schedule. The Organiser will not arrange a re-play in respect of any match that has been completed.

(13) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(14) If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team.

(15) Unless explicitly stated in the prospectus of the Basketball Competition of the 3rd HKG and these Notes to Participants, all rules and regulations will follow those currently used by the Hong Kong Basketball Association. Please visit the website of the International Basketball Federation for the text of relevant rules and regulations:
http://www.fiba.com/downloads/Rules/2010/OfficialBasketballRules2010.pdf

4. Methods for Determination of the Positions of the Teams:

(1) During the preliminary rounds on group basis, the winning team gains 2 points and the losing team gains 1 point. The team that has withdrawn or is regarded as having withdrawn gains no points.

(2) If there are 2 teams scoring equal points, the result of the match(es) between the 2 teams involved will be used to determine their positions, with the team that has won given a higher position.

(3) If 3 or more teams have scored equal points, a second classification will be established, taking into account the results of the matches between the teams that have accumulated the same number of points.

In the event that there are still teams attaining the same position after the second

classification, then the goal average (total score gained divided by total score lost) obtained in matches between the teams that have accumulated the same number of points will be used to determine the positions. The team with a greater goal average will be given a higher position.

If there are still teams attaining the same position, the position will be determined by comparing the goal averages obtained in all their match(es) played in the group. The team with a greater goal average will be given a higher position. Positions of the teams will be decided by drawing lots if the positions still cannot be determined by applying the above procedures.

(4) If a multiple-team tie is reduced to a tie involving only 2 teams by adopting the criteria in (3), the procedures in (2) will be applied automatically. If it is reduced to a tie involving more than 2 teams, the procedures outlined in the first paragraph of (3) will be repeated.

5. Referee/Umpire:

The Hong Kong Basketball Association will be invited to render referee/umpire services.

6. Awards and Scoring System:

(1) Each competition of the "3rd Hong Kong Games" offers 3 prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st runner-up and 2nd runner-up" prizes for the basketball competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the basketball competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of the men's and women's divisions will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

- The Champion (e.g. the "Overall Champion" of the basketball competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6,

5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point.

- If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(4) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the Hong Kong Games in order to be counted as an actual participant.)

(5) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(6) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

7. Rescheduling:

(1) If a Pre-No. 8 Special Announcement (an advance notice to the public issued by the Hong Kong Observatory when Tropical Cyclone Warning Signal No. 8 is expected within 2 hours) or Tropical Cyclone Warning Signal No. 8 or above or a Black Rainstorm Signal has been issued by the Hong Kong Observatory 2 hours before the reporting time for the first match scheduled to be held on the event day, all matches on that day will be cancelled and rescheduled. Participants will be notified of the details separately.

(2) If a Pre-No. 8 Special Announcement (an advance notice to the public issued by the Hong Kong Observatory when Tropical Cyclone Warning Signal No. 8 is expected within 2 hours) or Tropical Cyclone Warning Signal No. 8 or above or a Black Rainstorm Signal has been issued by the Hong Kong Observatory 2 hours before the reporting time for the first match scheduled to be held on the date of the final (i.e. 4 June), all matches on that day will be cancelled and will not be rescheduled.

- If the final cannot be completed, the teams involved will be the joint champions with each team scoring 9 points, i.e. the average of 10 points for the champion and 8 points for the 1st runner-up 【(10+8)/2】; and
- If the third place playoff cannot be completed, the teams involved will be the joint 2nd runners-up with each team scoring 6.5 points, i.e. the average of 7 points for the position of 2nd runner-up and 6 points for the 3rd runner-up 【(7+6)/2】.

(3) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participating teams of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(4) No application for changing the date of competition by the participating teams shall be accepted.

8. Miscellaneous:

A "Photo Zone" will be provided on the dates of the 3rd HKG competitions for the "3rd Hong Kong Games – Dynamic Moments Photo Contest" to enable entrants of the contest to take photos. A fixed number of "Photo Passes" will be distributed on site at the venues to interested spectators/entrants on a first-come-first-served basis for admission into the "Photo Zone" to take photos. The dates, times and venues of the photo sessions for the basketball competition are arranged according to the venues and dates set for the competition. In order not to affect the progress of the matches, the Photo Zone is located 2 meters beyond the boundary lines of the competition court.

9. By-laws:

(1) Any change in the list of players by the participating teams is not allowed after confirmation of the result of the fixture draw for the preliminary rounds.

(4) Participants must reside within the district boundary of the district they represent as at 28 January 2011 and be able to produce proof of place of residence to the person-in-charge in the respective district.

For checking the district boundary of a respective district, please browse the website of the Electoral Affairs Commission: http://www.eac.gov.hk/en/distco/2007dc_map.htm.

(b) "Proof of place of residence" refers to the original of a valid documentary proof bearing the name of the participant, including:

(iv) A valid student's handbook showing "proof of place of residence". (If a student handbook cannot be produced, the documents stated in (i) to (iii) bearing the name of the participant's parent(s) together with the participant's birth certificate may serve as proof.)

(c) When necessary, the Organiser may request the district that a participant is representing to provide valid "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(d) Student hostels and athlete hostels cannot be regarded as the place of residence.

(6) All the information entered (except residential address, contact telephone number and occupation) cannot be changed once the enrolment form is submitted.

(1) Each district may enter 1 team leader and 1 coach. The team leader and coach shall be aged 18 or above. Each team leader/coach may only represent 1 district and may not hold other posts in the respective district delegation in order to avoid conflict of interest.

(2) Each district may enter 1 team and **the number of registered players in each team shall be 5 persons at least and 18 persons at most**.

(3) No participant shall ask another person to play in the competition for him. Should any participant be found to have done so, the participant, his impostor and their team(s) shall be disqualified and all results obtained by the participants and their team(s) will be cancelled.

(4) If there are less than 3 teams enrolling in the competition, the competition will be cancelled by the Organiser.

(5) The prospectus, enrolment form, notes to participating teams, schedules, competition results and other information about this competition will be announced through the HKG's website: http://hongkonggames.lcsd.gov.hk.

(6) The participants shall be responsible for their own Personal Accident Insurance.

6. Format:

(1) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted.

(2) The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals and another fixture draw will be held. The single knock-out system will be adopted for matches from the quarter-finals to the final. The 4 teams that came first in their groups in the preliminary rounds will be allotted to 4 different groups respectively by drawing lots. Then each group will be allotted a team that came second in its respective group in the preliminary round by drawing lots. (To avoid placing teams that previously came first and second in the same group in a match again, a group that has already been allotted a team that came first in its respective group in the preliminary round will not be allotted another team that came second in the same group. This is done by taking away the lot for the team that came second in the same group before the remaining lots are drawn.)

(3) A fixture draw for the 8 teams that are qualified for the quarter-finals is scheduled to be held immediately after the competition of the last match in the preliminary rounds (**i.e.**

the fixture draw for the quarter-finals is scheduled to be held at about 7:00 pm on 2 May 2011 (Monday) at Wong Chuk Hang Recreation Ground) and will be presided by staff of the Organiser. All districts that are qualified for the quarter-finals shall send their own representatives to attend the fixture draw. Those districts failing to send their representatives will be represented by the Organiser's staff in the fixture draw and must fully accept the results as no objections shall be raised.

(4) The normal time for each match is 40 minutes, with 2 equal periods of 20 minutes and the half-time interval must not exceed 10 minutes. Matches in the preliminary rounds (on group basis) are **not played real-time** (which means the clock does not stop whenever the ball goes out of play) while matches from the quarter-finals to the final are **played real-time** (which means the clock stops whenever the ball goes out of play).

(5) No extra time shall be played after a draw for matches in the preliminary rounds (on group basis), with 3 points for a win, 1 point for a draw and none for a defeat.

(6) In the preliminary rounds (on group basis), if 2 or more teams score the same points as indicated on the score table for the same group, the Organiser will make decision according to the match results between the teams that scored the same points in the same group. The ranking of the teams will be determined according to the following order of priority:

i/ the number of points obtained in the group matches between the teams concerned

ii/ the goal difference resulting from the group matches between the teams concerned

iii/ the number of goals scored in the group matches between the teams concerned

If the ranking of the teams scoring the same points cannot be determined on the basis of the criteria (i) to (iii) mentioned above, the teams that have the greater goal difference among all teams in the same group on the score table will be placed in the higher ranking by the Organiser. If the goal differences are also equal, the team scoring more goals as indicated on the scoring table for all teams in the same group will get a higher ranking.

(7) If the final ranking cannot be determined, it will be decided by drawing lots.

(8) From the quarter-finals to the final, if the match ends in a draw at the end of the normal time, the winner shall be determined by **penalty kicks**.

(9) All matches will be conducted in accordance with the Futsal Laws of the Game set by the Fédération Internationale de Football Association (FIFA).

(10) A ranking playoff, in which the single knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

7. Rules:

(1) The team leader or coach of each team shall collect valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) of all players of the team for verification of identity by the staff of the Organiser at the "Registration Counter" **30 minutes before the commencement time of a match**. If players fail to produce the identity documents or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) **The registration of players for a match will stop 15 minutes before the commencement time of the match**. Any team that fails to complete the registration for its players will be taken as the loser in the match.

(3) **The team leader or coach of each team must be present during the whole match** to assist in monitoring and controlling the discipline of the players. If the team leader or

coach of a team is not present during the match or leaves the field of play during the match, the Organiser will not start the match or will discontinue the match immediately. The team without a team leader or coach on the field of play will be regarded as having withdrawn from the match.

(4) If the team leader or coach of any team is unable to be present during a match, the respective district shall complete an authorisation form to delegate another registered futsal coach to lead the team. When the team reports to the "Registration Counter", the completed authorisation form shall also be submitted. The delegated coach must not be staff or players of other participating teams. The Organiser reserves the right to cancel all results obtained by a team if it is found that the delegated person is not a registered futsal coach.

(5) Before the commencement of each match, each team may **submit a list of 5 players on court and up to a maximum of 7 substitutes** on the players' list. A substitution may be made at any time during a match and the substitute shall only enter the pitch after the player being replaced has left. All substitutions must be made within the **designated substitution zone** (near the halfway line). Those who have violated this regulation will be cautioned with a yellow card. A player who has been replaced may return to the pitch as a substitute and the number of substitutions made during a match is unlimited.

(6) Any team that fails to turn up or dispatches less than **3 players** at the commencement of the normal time **(implemented according to the latest Futsal Laws of the Game set by the FIFA)** will be judged as the loser by the Organiser at a score of 0-3 according to the rules and regulations.

(7) If a team leaves the field of play without notification or pulls out of the game during a match, the Organiser shall make judgement as follows:

- If the winning team wins the ruling, it will win the match by 3-0, or the scoreline shall remain the same (in which case advantage should be applied to the winning team); and
- If the losing team wins the ruling, the scores will be scrapped. The team that wins the ruling will win the match by 3-0.

(9) All players shall wear appropriate flat-soled sports shoes and shinguards and shall not wear any accessories in a match. If a player needs to wear equipment such as protective spectacles or facemasks, he must make an application to the Organiser **7 working days before (i.e. on or before 7 April)** the first match (18 April) and submit the relevant documentary proof (e.g. medical certificate) **together with the equipment** (such as protective spectacles or facemasks) that needed to be worn **for approval by the** Competitions Department **of the Hong Kong Football Association**. **The equipment can only be worn in the match after approval has been obtained**. The contact person of the Competitions Department of the Hong Kong Football Association is Mr Alex CHEUNG, Senior Competitions Officer (Tel No.: 2712 9122/2193 7344).

(10) Each team shall prepare 2 sets of approved jerseys in different colours (all jerseys, shorts and stockings worn by the players shall be of the same style; one set in deep colour and another in light colour) for the competition. If the colours of the jerseys are the same or similar, the second team named in the schedule of play (i.e. the visiting team) shall change their jerseys or wear the set of jerseys in a different colour for the competition. The colour of the players' jerseys shall be prominently different from that of the jerseys worn by the referees and the colour of the goalkeepers' jerseys shall also be prominently different from that of the jerseys worn by other players.

(11) Futsal balls provided by the Organiser shall be used in the competition.

(12) Participants shall comply with the rules, regulations and announcements of the venue and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by their teams will be cancelled.

(13) The decision of the referees on the results of the competition will be final.

(14) If a participating team intends to raise objection, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match.

(15) If the complainant is not satisfied with the decision made by the Duty Organiser, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(16) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his team in the matches will be cancelled and no points will be scored by him and the

team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(17) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(18) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used in the Futsal Laws of the Game set by the FIFA.

8. Awards and Scoring System:

(1) There will be the "Overall Champion, 1st and 2nd runners-up" prizes for the futsal competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the futsal competition. The scoring system is set out as follows:

The Champion to the 7th runner-up will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the futsal competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the futsal competition respectively.

(2) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the futsal competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(3) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(4) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(5) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(6) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

9. Referee:

The Hong Kong Football Association will be invited to render referee services.

10. Rescheduling:

(1) If a Pre-No. 8 Special Announcement (an advance notice to the public issued by the Hong Kong Observatory when Tropical Cyclone Warning Signal No. 8 is expected within 2 hours) or Tropical Cyclone Warning Signal No. 8 or above or a Black Rainstorm Signal has been issued by the Hong Kong Observatory 2 hours before the reporting time for the first match scheduled to be held on the event day, all matches on that day will be cancelled and rescheduled. Participants will be notified of the details separately.

(2) If Tropical Cyclone Warning Signal No. 3 or a Thunderstorm Warning has been issued by the Hong Kong Observatory, or the weather condition is unstable and the venue is closed 2 hours before the time scheduled for a match, the teams shall still arrive at the competition venue and report to the staff of the Organiser at the scheduled time. They shall remain in the venue to wait for the decision of the Duty Referee, and the arrangements announced on the spot by the Organiser on the event day shall be final.

(3) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participating teams of the details. Should any special incident happen during the competition, the referee on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(4) No application for changing the date of competition by the participating teams shall be accepted.

All award-winning photos will be displayed at the roving exhibitions in venues under the Leisure and Cultural Services Department in the 18 districts so that members of the public can share the pleasant memory of this spectacular event.

(2) Each district may enter 1 team leader and 2 coaches. The team leader and coaches shall be aged 18 or above. Each team leader/coach may only represent 1 district and may not hold other posts in the respective district delegation in order to avoid conflict of interest.

(3) For individual events, each district may enter a maximum of 2 persons/2 teams for each event.

(4) For the team event, each district may enter a maximum of 1 team with 7 to 12 persons in the team (including 5 to 8 male players and 2 to 4 female players).

(5) Each athlete may enrol in the team event and 1 individual event at most.

(6) No participant shall ask another person to play in the competition for him/her. Should any participant be found to have done so, the participant, his/her impostor and their team(s) shall be disqualified and all results obtained by the participants and their team(s) will be cancelled. For doubles events, both participants in the team will be disqualified.

(7) If there are less than 3 persons/teams enrolling in an event, the event will be cancelled by the Organiser.

(9) The participants shall be responsible for their own Personal Accident Insurance.

6. Format:

(1) For all events, each game carries 11 points.

(2) Individual Events:

(a) The single knock-out system will be adopted. The preliminary rounds will adopt the "best of five games" system while the semi-finals and finals will adopt the "best of seven games" system.

(b) A separate ranking playoff, in which the "best of five games" system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

(c) For each district which enters 2 persons/2 teams for an individual event, the 2 persons/teams will be placed in the upper and lower groups separately.

(3) Team Event:

(a) The order of events for each match will be: First event – Men's Singles (I);
Second event – Women's Singles;
Third event – Men's Doubles;
Fourth event – Mixed Doubles;
Fifth event – Men's Singles (II).

(b) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted. The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals and another fixture draw will be held. The single knock-out system will be adopted from the quarter-finals to the final.

(c) For each match under the single round robin system in the preliminary rounds on a group basis, a team shall complete 5 events. A match will be won by the team that is the first one to win 3 events. The winner will score 2 points, the loser will score 1 point and no points will be scored by a team that has withdrawn or is deemed to have withdrawn from the match.

(d) A fixture draw for the 8 teams that are qualified for the quarter-finals is scheduled to be held immediately after the last event in the preliminary rounds has been

completed (i.e. the fixture draw is scheduled to be held at about 9:30 pm on 25 May 2011 (Wednesday) at Lockhart Road Sports Centre) and will be presided by the referee. All districts that are qualified for the quarter-finals shall send their own representatives to attend the fixture draw. Those districts failing to send their representatives will be represented by the Organiser's staff in the fixture draw and must fully accept the results as no objections shall be raised.

(e) The form of the fixture draw for the 8 teams that are qualified for the quarter-finals: The 4 teams that come first in their groups in the preliminary rounds will be the seeded teams and allotted first to 4 different groups respectively by drawing lots. Then each of the 4 groups will be allotted a team that came second in its respective group in the preliminary round by drawing lots. In each group, a team that came first in its respective group in the preliminary rounds will play against a team that came second in a different team in the preliminary rounds. (To avoid the situation that teams that came first and second in the same group in the preliminary rounds will play against each other again in their first match in the quarter-finals, a group that has already been allotted a team that came first in its respective group in the preliminary rounds will not be allotted another team that came second in the same group. This is done by taking away the lot for the team that came second in the same group before the remaining lots are drawn.)

(f) The Organiser reserves the right to make arrangements for various matches to take place at the same time.

(g) For each match, each participant will be allowed to enter 1 event only.

(h) The "best of five games" system will be adopted from the preliminary rounds to the final.

(i) Moreover, a ranking playoff, in which the knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions.

7. Rules:

(1) Participants shall report to the "Registration Counter" by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) for verification of identity by the staff of the Organiser at the scheduled reporting time set by the Organiser (and the Organiser's game clock shall be the official clock). (Any team participating in team events shall also bring along the completed "Players' List" for the respective match when reporting to the "Registration Counter".) If players fail to produce the identify proof or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) If any player still fails to turn up or any team in team events fails to turn up in full team for the match 5 minutes after the roll call made by the referee/umpire, the player/team will be deemed to have withdrawn from the match (and the Organiser's game clock shall be the official clock).

(3) For team events, each team shall assign players to participate in various matches according to the order on the "Players' List", or the team will be disqualified.

(4) For knock-out matches, any player/team that fails to report to the "Registration Counter"/has withdrawn from a match will be deemed to have withdrawn from the match and will be disqualified from the remaining matches in the competition and the results obtained by the player/team will be cancelled. For matches under the single round robin system on a group basis, any team that has withdrawn from a match will be deemed to have withdrawn from the match and will be judged by the Organiser as losing at a score of 0 point to 11 points in each event and a score of 0 point to 3 points in each match (that consists of 5 events). No points will be scored by the team that has withdrawn or is deemed to have withdrawn from the match but the team can continue to participate in the remaining matches under the single round robin system on a group basis.

(5) For knock-out matches, a player who is injured during a match and cannot continue to play will be judged by the Organiser as the loser of the match. The player can still retain the position(s) awarded and the point(s) scored. For team events, if a player is injured during a match and cannot continue to play, the player/team will be judged by the Organiser as the loser of the match. The player/team can continue to participate in the remaining matches in the competition.

(6) Table tennis balls (orange in colour) provided by the Organiser shall be used in the competition.

(7) Participants shall use their own rackets. The colour of the covering blades shall be red on one side and black on the other and the covering material used shall be of a brand and type currently approved by the International Table Tennis Federation (ITTF). For details, please visit the ITTF's website: http://www.ittf.com/ittf_equipment/Racket_coverings.asp

(8) Participants are prohibited to use glues that are toxic or volatile. (The Organiser will make random checks.)

(9) Participants shall wear approved sportswear for the competition, including a short-sleeved shirt, knee-length shorts (the colour shall not be orange or similar), socks and non-marking sports shoes. Players in doubles events and team events shall wear a shirt of the same kind (short-sleeved shirt).

(10) Participants shall comply with the rules, regulations and announcements of the sports centre and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(11) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(12) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(13) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(14) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(15) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used by the ITTF. For details of the rules and regulations, please visit the ITTF's website: http://www.ittf.com/ITTF_Hand_Book/Hand_book_html.html

8. Team Leaders' Meeting and Fixture Draw:

A team leaders' meeting and a fixture draw will be held by the Organiser at **7:00 pm on 28 March 2011 (Monday)** at Audio/Visual Room, 1/F, Leisure and Cultural Services Headquarters, 1-3 Pai Tau Street, Sha Tin, New Territories (no seeded teams in the fixture draw for all competition events). Each district shall send its own representative to attend the

meeting and the fixture draw. Those districts failing to send their representatives will be represented by the Organiser's staff in the fixture draw and must fully accept the results as no objections shall be raised.

9. Awards and Scoring System:

(1) Each event offers prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the table tennis competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the table tennis competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. The points awarded for the team events will be doubled, i.e. the Champion will score 20 points, the 1st runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the table tennis competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the table tennis competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the table tennis competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

10. Referee/Umpire:

The Hong Kong Table Tennis Association will be invited to render referee/umpire services.

11. Rescheduling:

(1) If a Pre-No. 8 Special Announcement (an advance notice to the public issued by the Hong Kong Observatory when Tropical Cyclone Warning Signal No. 8 is expected within 2 hours) or Tropical Cyclone Warning Signal No. 8 or above or a Black Rainstorm Signal has been issued by the Hong Kong Observatory 2 hours before the match(es) scheduled to be held in the morning/afternoon/evening on the event day, all matches in the morning/afternoon/evening on that day will be cancelled. Participants will be notified of the details of the arrangements for the match(es) separately.

(2) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participants of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(3) No application for changing the date of competition by the participants shall be accepted.

Quarter-finals to final	—	22 May 2011 (Sunday)	9:00 am – 7:30 pm	Victoria Park Tennis Courts
		28 May 2011 (Saturday)	2:00 pm – 9:00 pm	

2. Format:

(1) In the preliminary rounds, a 6-game pro set will be played. When the game reaches 5-All, the set will be won by the player who first reaches 7 games. When the game reaches 6-All, a 7-point Tie-Break will be played. In the semi-final and final rounds, an 8-game pro set will be played. When the game reaches 7-All, the set will be won by the player who first reaches 9 games. When the game reaches 8-All, a 7-point Tie-Break will be played.

(2) The "sudden death" rule will be adopted in the tennis competition. When the game reaches 40-All, the player/team who scores first will win the game. The receiver is entitled to choose the position to receive the service (i.e. to receive the service from the left half or the right half on his/her end of the court). In mixed doubles, under the "sudden death" rule, when a male player serves, the service shall be received by his male counterpart of the other side. When a female player serves, the service shall be received by her female counterpart of the other side. The receiver cannot change position. In other words, the server needs to change his/her serving position according to the position chosen by the receiver.

(3) Individual Events:

(a) The single knock-out system will be adopted.

(b) A separate ranking playoff will be held for losers in the quarter-finals to compete for the 5th to the 8th positions. A 6-game pro set will be played.

(c) For each district which enters 2 persons/2 teams for an individual event, the 2 persons/teams will be placed in the upper and lower groups separately.

(4) Team Events:

(a) The order of events for each match will be: First event – Men's/Women's Singles;

Second event – Men's/Women's Singles;

Third event – Men's/Women's Doubles.

(b) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted. If 2 districts have won equal number of matches, the result of the match(es) between the 2 districts involved will be used to determine their positions, with the team that has won given a higher position. If more than 2 districts have won equal number of matches, the results of the matches between the districts involved will be taken into account first, with the team winning the greater number of sets to be given a higher position. If there are still districts winning equal number of sets, the following formula will be applied to determine their positions:

$$\frac{\text{Number of games won (in the respective group)}}{\text{Total number of games (in the respective group)}} \times 100\% = \text{Percentage of games won}$$

In the case of 2 districts obtaining identical "percentage of games won", the winner will be the district that has won in the previous encounter between the 2 districts. In the case of more than 2 districts obtaining identical "percentage of games won", the positions will be decided by drawing lots.

The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals and another fixture draw will be held. The team that comes first in one group will be placed in a match against a team that comes second in another group. The

single knock-out system will be adopted for matches from the quarter-finals to the final.

(c) The Organiser reserves the right to make arrangements for various matches to take place at the same time.

(d) For each match, each participant will be allowed to enter 1 event only.

(e) A match will be won by the team that is the winner of 2 events. For each match in the preliminary rounds on a group basis, a team shall complete 3 events. Otherwise the team will be taken as the loser in all the 3 events.

(f) A ranking playoff, in which the knock-out system will be adopted, will be held for losers in the quarter-finals to compete for the 5th to the 8th positions. A 6-game pro set will be played.

3. Rules:

(1) Participants shall report to the "Registration Counter" by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook) for verification of identity by the staff of the Organiser 15 minutes before the competition time set by the Organiser. (Any team participating in team events shall also bring along the completed "Players' List" for the respective match when reporting to the "Registration Counter".) If players fail to produce the identity documents or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) If any player still fails to turn up or any team in team events fails to turn up in full team for the match 5 minutes after the roll call made by the referee/umpire, the player/team will be regarded as having withdrawn and taken as the loser in the match.

(3) Any participant/team that has withdrawn or is deemed to have withdrawn from a match under a knock-out system will be disqualified from the remaining matches in the competition.

Matches	Scenarios	Penalties
Team events: Preliminary rounds	i) No players turn up; or ii) Any player has withdrawn or is regarded to have withdrawn.	The team will be taken as the loser in the 3 events.
Team events: From the quarter-finals onwards		The team/player will be disqualified from the remaining matches in the competition with all results obtained by the team/player cancelled.
Individual events		

(4) Participants shall pay attention to the announcements made/notice displayed by the LCSD on the spot and comply with the rules and regulations of the venue.

(5) For team events, each team shall assign players to participate in various matches according to the order on the "Players' List", or the team will be disqualified.

(6) Tennis balls provided by the Organiser shall be used in the competition.

(7) Participants shall use their own rackets.

(8) If any player is injured during a match, the referee/umpire will suspend the set. If the injured player cannot continue to play in 3 minutes, he/she will be regarded as having withdrawn and taken as the loser in the match.

(9) Participants shall wear approved sportswear for the competition, including a short-sleeved shirt, knee-length shorts, socks and non-marking sports shoes. Players in doubles events and team events shall wear a shirt of the same colour.

(10) Participants shall comply with the rules, regulations and announcements of the tennis court and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(11) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(12) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(13) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(14) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(15) The list of the winners in each event will be announced on the LCSD webpage.

(16) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used by the Hong Kong Tennis Association.

4. Awards and Scoring System

(1) Each event offers 3 prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the tennis competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the tennis competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. The points awarded for the team events will be doubled, i.e. the Champion will score 20 points, the 1st runner-up will score 16 points and so forth. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the highest total points in the tennis competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the tennis competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the tennis competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.

5. Referee/Umpire:

The Hong Kong Tennis Association will be invited to render referee/umpire services.

6. Rescheduling:

(1) If a Pre-No. 8 Special Announcement (an advance notice to the public issued by the Hong Kong Observatory when Tropical Cyclone Warning Signal No. 8 is expected within 2 hours) or Tropical Cyclone Warning Signal No. 8 or above or a Black Rainstorm Signal has been issued by the Hong Kong Observatory 2 hours before the first match scheduled to be held on the event

day, all matches on that day will be cancelled and rescheduled. Participants will be notified of the details separately.

(2) The Organiser reserves the right to change the date of competition or make any alternative arrangements in extraordinary circumstances and notify the participants of the details. Should any special incident happen during the competition, the referee/umpire on the spot or the Organiser will have the sole right to decide whether or not the competition should continue and the participants shall not raise any objection.

(3) No application for changing the date of competition by the participants shall be accepted.

7. By-law:

The Organiser reserves the right to amend this prospectus in the future.

(Revised on 23 March 2011)

2. Format:

(1) In the preliminary rounds, 4 groups on a geographic basis will be divided with 4 or 5 teams in 1 group. The 4 groups are: Hong Kong Island (Southern, Central & Western, Wan Chai and Eastern), Kowloon (Sham Shui Po, Yau Tsim Mong, Kowloon City, Wong Tai Sin and Kwun Tong), New Territories East (North, Tai Po, Sha Tin and Sai Kung) and New Territories West (Islands, Yuen Long, Tuen Mun, Tsuen Wan and Kwai Tsing). The single round robin system on a group basis will be adopted. The 2 teams that come first and second respectively in each group will be qualified for the quarter-finals.

(2) There will be a fixture draw for the 8 teams that are qualified for the quarter-finals. The 4 teams that came first in their groups in the preliminary rounds will be allotted to 4 different groups respectively by drawing lots. Then each group will be allotted a team that came second in its respective group in the preliminary round by drawing lots. (To avoid placing teams that previously came first and second in the same group in a match again, a group that has already been allotted a team that came first in its respective group in the preliminary round will not be allotted another team that came second in the same group. This is done by taking away the lot for the team that came second in the same group before the remaining lots are drawn.) The fixture draw for the 8 teams that are qualified for the quarter-finals will be held after the completion of the last match in the preliminary rounds, i.e. it is expected to be held at about 3:30 pm on 15 May (Sunday) at Tai Hing Sports Centre.

(3) A ranking playoff will be held for losers in the quarter-finals to compete for the 5th to the 8th positions. The single knock-out system will be adopted for matches from the quarter-finals to the final and the ranking playoff.

(4) Matches adopting the single round robin system are played to the best of 3 sets. The winner gains 2 points and the loser gains 1 point. The team that has withdrawn from the match gains no points and will be taken as being defeated in the match by 0:2 with an individual score of 0:25 for each set. It can still participate in the remaining matches.

(5) Method to decide the ranking in the case of 2 teams scoring equal points under the single round robin system:

a) If there are teams scoring the same total points, the one with a higher quotient derived from dividing the number of **points** gained in all matches by the number of **points** lost in all matches will be ranked higher.

A = **total number of points** gained in all matches

B = **total number of points** lost in all matches

C = the quotient obtained

$$\frac{A}{B} = C$$

b) If the quotients obtained by the teams are identical, then the team with a higher quotient derived from dividing the number of **sets won** in all matches by the number of **sets lost** in all matches will be ranked higher.

X = **total number of sets won** in all matches

Y = **total number of sets lost** in all matches

Z = the quotient obtained

$$\frac{X}{Y} = Z$$

c) If it is still not possible to decide the ranking, the following calculation methods should be adopted.

i) In the case of 2 teams obtaining identical quotients, the winner will be the team that has won in the previous encounter between the 2 teams;

ii) In the case of 3 or more teams obtaining identical quotients, the ranking will be decided by drawing lots.

(6) Matches adopting the single knock-out system are played to the best of 5 sets. The team(s) regarded as having withdrawn from a match will be disqualified from playing in the remaining match(es). The result that the team has obtained remains to be the position held by it as at the last match in which it has participated.

3. Rules:

(1) All players of the participating team who are going to play in the match shall report to the "Registration Counter" in person by bringing along with them their valid photo-bearing identity document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, Home Visit Permit/Card or passport) and a completed "score sheet" for verification of identity by the staff of the Organiser 30 minutes before the commencement of the normal time for the match. If players fail to produce the identity documents or their identities are not found to be matched, they will not be allowed to participate in the match.

(2) If any participating team fails to turn up in full team for the match 5 minutes after the commencement of the normal time for a match, or if the uniform or equipment of team members do not meet the Organiser's requirements, the team will be regarded as having withdrawn from the match.

(3) If any participating team leaves the court without notification in advance, it will be regarded as having withdrawn from the match after the referee/umpire has made a report to the Organiser.

(4) Any participating team that has withdrawn or is deemed to have withdrawn from a knock-out match will be disqualified from the remaining matches in the competition.

(5) The height of the net for this competition will be 2.43m for the men's division and 2.24m for the women's division.

(6) Volleyballs provided by the Organiser shall be used in the competition: MIKASA MVA300.

(7) Each team should prepare 2 sets of jerseys in different colours (1 set in dark colour and the other set in light colour) for the competition. If the colours of the jerseys of the teams playing in a match are the same, the second team named in the schedule of play (the visiting team) shall change their jerseys or wear the numbered vests provided by the Organiser.

(8) Players of the same team must wear jerseys in the same colour and of the same design and wear non-marking sports shoes except for the Libero, who must wear a jersey in a colour different from the colour of other players' jerseys in the team.

(9) Participants shall comply with the rules, regulations and announcements of the sports centre and the Organiser. For participants who have violated the regulations or displayed any misbehaviour which may affect the competition, the Organiser reserves the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.

(10) If a participating team intends to raise objection to the results of a match, its team leader/person-in-charge may direct his/her enquiry verbally to the Duty Organiser within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer the enquiry to the Chief Judge of the event day for follow-up actions.

(11) If the complainant is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 3rd HKG Organising Committee within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the complainant within 2 working days after the receipt of the complaint, and follow up on the complaint with the relevant National Sports Association/unit. The results of the follow-up actions will be regarded as the final decision of the Organiser. Except in extraordinary circumstances, the Secretariat will reply to the complainant in writing within 10 working days after the receipt of the complaint, notifying him/her of the results of the follow-up actions.

(12) During the appeal process, all matches will be held according to the announced schedule. If the complaint is substantiated, the results obtained by the participant under complaint and his/her team in the matches will be cancelled and no points will be scored by him/her and the team. The Organiser will not arrange a re-play in respect of any match that has been completed.

(13) For complaints relating to a participant's district of residence, the Organiser will request the district that a participant is representing to provide valid documentary "proof of place of residence" within 2 working days to prove that the participant is the resident of the respective district. Failure to provide such proof will result in disqualification.

(14) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used by the Volleyball Association of Hong Kong, China and the latest international volleyball rules. (Please refer to Annex)

4. Awards and Scoring System:

(1) Both the Men's and Women's Divisions offer 3 prizes to the Champion, 1st runner-up and 2nd runner-up respectively.

(2) There will also be the "Overall Champion, 1st and 2nd runners-up" prizes for the volleyball competition. These prizes will be awarded to the top 3 districts that have accumulated the highest total points from the volleyball competition. The scoring system is set out as follows:

The Champion to the 7th runner-up of each event will score 10, 8, 7, 6, 5, 4, 3, 2 points respectively, i.e. the Champion will score 10 points, the 1st runner-up will score 8 points, …, and the 7th runner-up will score 2 points. The above winners must have played in all play-offs of that event in order to be awarded the points, otherwise no points will be awarded. From the 8th runner-up onwards, if they have participated in all events of a respective competition, they will score 1 point. If the participant/participating team is disqualified by the Organiser due to misconduct, no points will be awarded. The top 3 districts accumulating the

highest total points in the volleyball competition will be awarded the prizes for the Overall Champion, 1st and 2nd runners-up of the volleyball competition respectively.

(3) Prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" will also be awarded to the top 3 districts accumulating the highest total points from all the 8 sports competitions i.e. table tennis, badminton, basketball, athletics, swimming, tennis, volleyball and futsal. The scoring system is set out as follows:

The Champion (e.g. the "Overall Champion" of the volleyball competition) of a competition will score 10 points, and the 1st to the 7th runners-up will score 8, 7, 6, 5, 4, 3, 2 points respectively. For the remaining districts from the 8th runner-up onwards, a district that has participated in the sports competition will score 1 point. The top 3 districts accumulating the highest total points from all the 8 sports competitions will be awarded the prizes for the "Overall Champion, 1st runner-up and 2nd runner-up of the 3rd Hong Kong Games" respectively.

(4) If 2 or more districts accumulated the same points from all the sports competitions, the one that holds more first places will win; and if they hold the same number of first places, the one holding more second places will win. The same method applies until the overall positions are determined. If all the results are the same, the districts involved will be awarded the same position and presented with the same prize.

(5) The "District with the Greatest Participation in the 3rd Hong Kong Games" prize will be awarded to the district that sends the greatest number of athletes to the 8 sports competitions. The number of athletes means the actual number of participating athletes. (Athletes who have enrolled in the HKG must have turned up for the roll call at a match in the HKG in order to be counted as an actual participant.)

(6) The "District with the Most Gold Medals" prize will be awarded to the district that obtains the most gold medals in the separate events under the 8 sports. If the number of gold medals obtained is the same, the districts involved will be awarded the same prize.

(7) The "District with the Best Progress" prize will be awarded to the district with the greatest net score difference by deducting each district's accumulated 2nd HKG Overall Champion Points from its accumulated 3rd HKG Overall Champion Points.
