## 7. Format

- (1) The normal playing time for each match is 40 minutes, comprising 2 periods of 20 minutes each and the half-time interval must not exceed 10 minutes. Matches in the preliminary rounds are **not played real-time** (i.e. the clock does not stop whenever the ball goes out of play) whereas matches from the quarter-finals to the final are **played real-time** (i.e. the clock stops whenever the ball goes out of play).
- (2) A single round robin system on a group basis will be adopted in the preliminary rounds. The 18 districts will be divided into 4 groups by drawing lots, with 2 groups of 4 districts and 2 groups of 5 districts. The 4 districts that secured the top 4 positions in the 5th HKG will be named as the seeded teams in the 6th HKG and placed into 4 different groups. The remaining 14 districts will then be placed into the groups by drawing lots. The 2 districts that come first and second in each group will be qualified for the quarter-finals.
- (3) No extra time shall be played after a draw for matches in the preliminary rounds, with 3 points for a win, 1 point for a draw and none for a defeat.
- (4) If 2 or more teams score the same points as indicated on the group table, the ranking of the teams will be determined according to the following order:
  - (i) the number of points obtained in the group matches between the teams concerned. The more the points, the higher the ranking.
  - (ii) the goal difference resulting from the group matches between the teams concerned. The better the goal difference, the higher the ranking.

- (iii) the number of goals scored in the group matches between the teams concerned. The more the goals, the higher the ranking.
  - (iv) the goal difference of the teams concerned as indicated on the group table. The better the goal difference, the higher the ranking.
  - (v) the number of goals scored by the teams concerned as indicated on the group table. The more the goals, the higher the ranking.
  - (vi) the least numbers of yellow and red cards in the preliminary rounds. Points will be given to the teams according to the numbers of yellow and red cards they have received:
    - (a) 1 point for a yellow card
    - (b) 3 points for a red card given as a result of 2 yellow cards
    - (c) 3 points for a direct red card
    - (d) 4 points for a yellow card followed by a direct red card
    - (e) The fewer the points, the higher the ranking
  - (vii) If the final ranking still cannot be determined, it will be decided by drawing lots.
- (5) There will be a fixture draw for the 8 teams that are qualified for the quarter-finals. The 4 teams that came first in their groups in the preliminary rounds will be allotted to 4 different matches by drawing lots. Then each match will be allotted a team that came second in another group in the preliminary round by drawing lots. (To avoid placing teams that previously came first and second in the same group in the preliminary round in a match again, the lot for the team that came second will be taken away before drawing lots for the match with the team that came first in the same group in the preliminary round.)
  - (6) A single knock-out system will be adopted for matches from the quarter-finals to the final. If the match ends in a draw at the end of the normal playing time, the winner shall be determined by penalty kicks and the “sudden death” rule will be adopted.
  - (7) Ranking playoffs will be held for losers in the quarter-finals to compete for the 5th to the 8th positions under a single knock-out system.
  - (8) This competition will be conducted in accordance with the Futsal Laws of the Game set by the Fédération Internationale de Football Association (FIFA).

## 8. Rules

- : (1) All players of the participating teams who are going to play in a match shall register at the “Registration Counter” in person, bringing along with them the original of their valid photo-bearing identity

document (e.g. Hong Kong Permanent Identity Card, Hong Kong Identity Card, student card or student handbook), 30 minutes before the scheduled time of the match. Any player who fails to produce his valid identity document or whose identity is not found to be matched will not be allowed to participate in the match. The registration of players for a match will stop 15 minutes before the scheduled time of the match. Any player who fails to complete the registration will not be allowed to play. Any team that fails to complete the registration for its players will be regarded as having withdrawn from the match.

- (2) The team leader or coach **must** be present during the match to assist in monitoring and controlling the discipline of the players. If the team leader/coach of a team is not present at the scheduled time of the match or leaves the field of play during the match, the Organiser will not start the match or will discontinue the match immediately. The team without a team leader/coach shall bear the responsibility.
- (3) Before the commencement of each match, a team may put 5 selected players who have completed the registration and up to a maximum of 9 reserve players on the players' list. Substitutions may be made at any time during a match and a substitute shall only enter the pitch after the player being replaced has left. All substitutions must be made within the designated substitution zone (near the halfway line). Those who have violated this regulation will be cautioned with a yellow card. Only the head of delegation, deputy heads of delegation, chief team leader, team leaders, coaches and substitutes of the teams in the match may enter the substitution zone. If a team needs to deploy a team doctor or physiotherapist (only one person allowed) to the substitution zone, the team must make an application to the Organiser **3 working days** before the match for approval. The doctor or physiotherapist can only enter the substitution zone after approval has been obtained. A player who has been replaced may return to the pitch as a substitute in the same match and the number of substitutions made during a match is unlimited.
- (4) Any team that fails to turn up or dispatches less than 3 players at the start of a match will be taken as being defeated by the Organiser by 0-3 according to the rules and regulations. (The Organiser's clock shall be the official clock.)
- (5) If a team leaves the field of play without notification or pulls out of the game during a match, the team will be taken as being defeated by the referee by 0-3, or the prevailing result will be taken as the scoreline.
- (6) In the preliminary rounds, if a team is regarded as having withdrawn from the match after failing to turn up due to an emergency, it shall submit a written explanation to the Chief Judge of the competition within 24 hours from the judgement made by the referee of the match. If the explanation is accepted by the Chief Judge, the absent team may participate in the remaining matches. In the case of non-acceptance or late submission, the absent team will be disqualified from the remaining matches in the competition with all its positions obtained and points scored cancelled. In any case, each team may be absent only once.

- (7) For matches adopting a knock-out system, any participating team that has withdrawn or is regarded to have withdrawn from the match will be knocked out immediately. All the positions obtained and the points scored by the team will be cancelled.
- (8) If a player is sent off by the referee after receiving a red card or two cautions (i.e. two yellow cards) in a match, the player will be suspended from the next match automatically. The Organiser reserves the right to impose further punishment.
- (9) All teams shall wear approved sportswear, appropriate flat-soled sports shoes and shinguards for the competition. Failing to do so may result in disqualification. Each team shall prepare 2 sets of approved sportswear in different colours for the competition. If the colours of the jerseys of the two teams in a match are the same or similar, the second team on the schedule of play (i.e. the visiting team) shall change their jerseys or wear the second set of jerseys in another colour for the match. The colour of the teams' jerseys shall be prominently different from that worn by the referees and the colour of the goalkeepers' jerseys shall also be prominently different from that worn by the outfield players. For requirements on the sportswear, please refer to the "Guidelines on the Sportswear for the 6th Hong Kong Games".
- (10) All teams shall not wear any accessories in a match. If a player needs to wear equipment such as protective spectacles or facemasks, he must make an application to the Organiser 7 working days before the match day and submit the relevant documentary proof (e.g. medical certificate) together with the information about the equipment (such as protective spectacles or facemasks) for approval by the Organiser. The equipment can only be used in the match after approval has been obtained.
- (11) Participants shall comply with the rules, regulations and announcements of the competition venues and the Organiser. For participants who have violated any rules/regulations or displayed any misbehaviour which may affect the competition, the Organiser has the right to disqualify them and their teams from the competition and the results obtained by them/their teams will be cancelled.
- (12) The decision of the referees on the match results shall be final.
- (13) Any objection to the match results may be verbally directed to the Duty Organiser by the chief team leader/team leader/person-in-charge of a participating team within 30 minutes after the announcement of the results of that particular match. The Duty Organiser will refer it to the Chief Judge of the event day for follow-up action.
- (14) If a participating team is not satisfied with the decision made by the Duty Organiser/the Chief Judge, the head or deputy head of the delegation may lodge an appeal in writing to the Secretariat of the 6th HKGOC within 2 working days after the match in question. The Secretariat will issue an acknowledgement to the appellant within 2 working days after the receipt of the appeal, and follow up on the appeal with the relevant NSA/unit. The results of the follow-up action will be regarded as the final decision of the Organiser.

Except in extraordinary circumstances, the Secretariat will reply to the appellant in writing within 10 calendar days after the receipt of the appeal, notifying him/her of the results of the follow-up action.

- (15) During the appeal process, all matches will be held according to the announced schedule. The Organiser will not arrange any re-play in respect of any match that has been completed.
- (16) For complaints relating to a participant's district of residence, the Organiser will request the respective participating unit to provide valid documentary "proof of place of residence" of the participant within 2 working days to prove that the participant is a resident of the respective district. Participants failing to provide such proof will be regarded as ineligible for the competition. If a complaint is substantiated, the results obtained by the participant being complained about and his team in the matches will be cancelled and no points will be scored by him and the team.
- (17) Unless explicitly stated in this prospectus, all rules and regulations will follow those currently used in the Futsal Laws of the Game set by the FIFA.

9.
